

Hanger Style Numbers

- This list is intended to be a general guide.
- Standards should be applied to all families of business except where noted.
- Merchandise shipped on hangers should be flat packed in appropriate sized cartons. Do not use “wardrobe” cartons with a hang bar.
- Hanger sizes must be appropriate for garment.
- Secure Over Hook Sizers are no longer required except for men’s suits.
- Non-slip hangers must be used for all wide neck tops.
- Macy’s does not have a preferred hanger supplier. Any source that can provide the specific hanger styles described below is acceptable.
- All questions related to hangers should be addressed with your [Vendor Account Analyst](#).
