

U.S. Garment Hanger Program for Walmart & Sam's Club

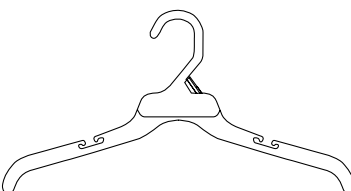

- Garment Supplier Letter
- Hanger Manual
- Designated Hanger Supplier Contact Listing per Country

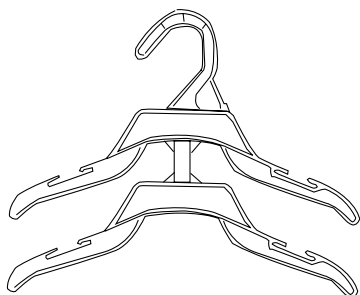

Effective date: March 10th, 2017

Attention Garment Suppliers:

We have eliminated some of our hanger styles that you may have previously been using. Please work back with your Walmart Merchant & Product Development as necessary on the correct hanger style to use & for COGs.

Additionally, the garment hanger suppliers have been instructed not to produce any hanger styles that are not in this manual, that will be coming into our Walmart U.S. stores. Any new hanger styles **MUST** be approved by an apparel SVP in Walmart.
